

OFFICE OF THE DIRECTOR

**DEPARTMENT OF MOTOR VEHICLES**

P.O. BOX 932328

SACRAMENTO, CA 94232-3280

**TITLE 13: DEPARTMENT OF MOTOR VEHICLES****NOTICE IS HEREBY GIVEN**

The Department of Motor Vehicles (the department) proposes to amend Sections 220.04, 220.12, and 221.12, in Chapter 1, Division 1, Article 3.5, of Title 13, California Code of Regulations to identify the latest revision of the Motor Carrier Permit (MCP) renewal application and correct two (2) minor grammatical omissions.

**PUBLIC HEARING**

A public hearing regarding this proposed regulatory action is not scheduled. However, a public hearing will be held if any interested person or his or her duly authorized representative requests a public hearing to be held relevant to the proposed action by submitting a written request to the contact person identified in this notice no later than 5:00 P.M., fifteen (15) days prior to the close of the written comment period.

**DEADLINE FOR WRITTEN COMMENTS**

Any interested person or his or her duly authorized representative may submit written comments relevant to the proposed regulations to the contact person identified in this notice. All written comments must be received at the department no later than 5:00 P.M. on *November 1, 2004*, the final day of the written comment period, in order for them to be considered by the department before it adopts the proposed regulations.

**AUTHORITY AND REFERENCE**

The department proposes to adopt the proposed action under the authority granted by Vehicle Code section 1651, in order to implement, interpret or make specific Vehicle Code section 34600 et seq.

**INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

Section 34621 of the Vehicle Code requires an annual renewal application for the Motor Carrier Permit (MCP) Program. Originally, the program used the same form for the initial and renewal MCP application. A review of the application process led to the creation of a renewal application. The department proposes to identify the renewal application form by name and number and correct two (2) minor word omissions.

**DOCUMENTS INCORPORATED BY REFERENCE**

It would be impractical, cumbersome or unduly expensive to publish the document in the California Code of Regulations. The form is currently available to the public upon request from the department.

## **DETERMINATIONS**

The department has made the following initial determinations concerning the proposed regulatory action:

- The proposed regulatory action will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. No studies or data were relied upon in support of this proposal.
- The adoption of this regulatory action will neither create nor eliminate jobs or create businesses in the state of California, will not result in the elimination of existing businesses, and will not reduce or expand businesses currently doing business in the state of California.
- The proposed regulatory action will not impose a mandate on local agencies or school districts, or a mandate that requires reimbursement pursuant to part 7 (commencing with Section 17500) of Division 4 of the Government Code.

## **ALTERNATIVES CONSIDERED**

The department must determine that no reasonable alternative considered by the department or that has otherwise been identified and brought to the attention of the department would be more effective in carrying out the purpose for which the action is proposed, or would be as effective and less burdensome to affected private persons than the proposed action.
